

## **Tiptree URC - Friends of the Chapel Garden Scheme**

### ***Purpose of the Scheme***

To encourage and to enable well-wishers to support financially the maintenance of the church garden and graveyard – the “Chapel Garden”.

### ***More generally, we seek -***

- to maintain the garden in a neat and tidy condition so that it provides a pleasant experience for those visiting graves and other memorials in the Chapel Garden.
- to honour the memory of those who have passed away, and to share the love of God to others in the community.

### ***How we do this and the challenges faced***

For some years the church has engaged a small garden maintenance contractor to maintain the church garden and graveyard area. This is paid for using the rental income from land donated to the Chapel in years past, together with fee income from burials etc., and other donations.

Unfortunately, the amount of guaranteed income received each year does not cover the costs of the full range of maintenance work necessary. Ad hoc fees and gifts do help, but we still have to take tough decisions about how to spend our limited resources. Priority work includes trimming the main grass areas and around individual plots, and hedge pruning.

Any additional support we receive in the form of donations helps us to do more to keep the garden maintained to a neat and tidy standard.

### ***What we ask of Friends of the Chapel Garden***

Simply, we ask Friends to contribute towards the costs of ongoing maintenance of the Garden by making a financial donation. This might be either:

- A one-off donation
- Ad hoc donations made from time to time
- Regular donations, either by bank transfer or other means

The more Friends we have, especially those willing to support us with regular donations, the better able we will be to care for our Chapel Garden well into the future. If you would like to become a Friend, please contact me for an application form.

Thank you
